KASP

IMA is prepared to join the Scheme only after revising the rates which are far below and unreasonable. The committee for revising the rates should include IMA.

Mobile Unit

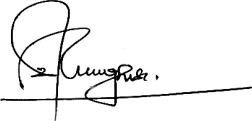

IMA will provide treatment facility of clinics, small & medium hospitals run by IMA members to the needy locally.

It is ideal to bring the sick persons to the medical facility using the mobile unit in the local area, whereby better treatment can be offered including hospitalization, if required.

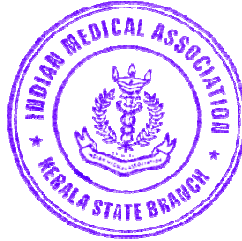

IMA has already given training to doctors and other hospital staff to restart the surgeries - semi emergency and elective. Infection control kits have also been distributed and the clinics have restarted functioning.

We request the Government to allow Covid testing facilities in the private hospitals for screening the patient for semi emergency and elective surgical procedures.

Yours Sincerely,

Dr. ABRAHAM VARGHESE
State President, IMA KSB

Dr. P. GOPIKUMAR
State Secretary, IMA KSB
